PROFESSIONAL SUMMARY

Results-driven Web Developer and Quality Assurance Professional with 3+ years of experience in web application development, software testing, database management, and client-facing software implementation. Skilled in Laravel (PHP), Python (Django), MySQL, SQL Server, Selenium, REST APIs, and software quality assurance. Experienced in developing and maintaining web applications, gathering requirements, presenting system updates to clients, troubleshooting issues, and delivering reliable business solutions. Strong analytical, communication, and problem-solving skills with the ability to quickly adapt to new technologies.

TECHNICAL SKILLS

Programming Languages: PHP, Python, JavaScript

Frameworks & Technologies: Laravel, Django, REST APIs, MVC Architecture, HTML5, CSS3, Bootstrap, React.js, Next.js

Databases: MySQL, SQL Server

Testing & QA: Selenium Automation Testing(Basic), Manual Testing, Regression Testing, Functional Testing, User Acceptance Testing (UAT), API Testing, Bug Tracking & Reporting

Tools: Git, GitHub, Postman, Visual Studio Code

PROFESSIONAL EXPERIENCE

Full Stack Developer (Project-Based)

Muicoo Technology, UAE | Mar 2026 – Present

- Developed web applications using Next.js, Node.js, JavaScript, and MySQL.
- Built and integrated REST APIs with business systems and databases.
- Collaborated with clients to gather requirements and deliver software solutions.
- Performed testing, debugging, deployment, and application maintenance.

Web Developer

P&G Technology Pvt. Ltd. (Prasson & Gurung Technology), Nepal | 2020 –2024

- Develop and maintain web applications using Laravel, PHP, JavaScript, HTML, CSS, and SQL databases.
- Design and optimize database structures and queries for improved application performance.
- Develop RESTful APIs and backend services for business applications.
- Troubleshoot, debug, and resolve technical issues across multiple projects.
- Collaborate with stakeholders to gather requirements and implement software solutions.
- Participate in deployment, maintenance, and enhancement of web applications.
- Follow software development best practices, coding standards, and security guidelines.

Quality Assurance Engineer

Nectar Digit Pvt. Ltd., Nepal | 2024-2025

- Performed manual and automated testing for web applications to ensure quality and reliability.
 - Developed and executed test cases, test scenarios, and defect reports.
 - Conducted functional, regression, integration, and user acceptance testing.
 - Worked closely with developers to identify and resolve software defects.
 - Participated in client meetings and presented system updates, enhancements, and completed features.
 - Gather client feedback and communicate requirements effectively to development teams.
 - Contributed to improving product quality and user experience.
-

KEY PROJECTS

WAITER ORDERING & RESTAURANT MANAGEMENT SYSTEM

Technologies: Next.js, Node.js, MySQL, REST APIs

- Developed a web-based waiter ordering system for restaurant operations.
- Integrated the application with an existing Windows .NET system used for billing and restaurant management.
- Implemented order processing, menu management, and real-time data synchronization.
- Designed and optimized MySQL database structures for efficient transaction handling.
- Developed REST APIs to facilitate communication between web and desktop applications.
- Worked directly with stakeholders to gather requirements, test functionality, and implement enhancements.

EDUCATION

Bachelor of Science in Information Technology (BSc IT) | 2015 – 2019

Asia Pacific University of Technology & Innovation (APU) through Lord Buddha Education Foundation (LBEF), Nepal

Master of Computer Applications (MCA) | 2020 – Present (Coursework Completed)

Purbanchal University, Kantipur City College (KCC), Nepal

CERTIFICATIONS

Software Quality Assurance Training | 2023

Deerwalk Institute of Technology

SOFT SKILLS

- Client Communication
- Requirement Gathering
- Problem Solving
- Team Collaboration
- Presentation Skills
- Time Management
- Adaptability & Quick Learning
- Attention to Detail
- Troubleshooting & Debugging

PERSONAL DETAILS

Nationality: Nepalese

Visa Status: UAE Employment Visa (Valid)

Availability: Immediate Joining
